Oxford Commons offers an outstanding optional collection that allows you to further customize your home to your individual preferences. Your sales counselor will be happy to discuss with you the extensive array of personalized design opportunities we offer. Please be aware that the availability of certain options may depend on construction status and cut-off dates.

The builder reserves the right in its sole discretion to make changes or modifications to maps, plans, specifications, materials, textures and colors without notice. All maps, plans and illustrations are artists' conceptions. Square footages quoted are approximate.

Oxford COMMONS

Mcmillin Homes has long been recognized as one of Southern California's most conscientious homebuilders. With over four decades of expertise, McMillin's discerning craftsmanship and uncompromising attention to detail have earned the respect of demanding homebuyers throughout Southern and Central California.

Like you, we have the highest expectations of what a new home should be. Today, nearly 30,000 homes stand as a testament to the strict standards Corky McMillin has insisted upon since building his first home back in 1960.

With McMillin Homes' commitment to enduring quality and customer satisfaction, you can be assured that your beautiful new **Oxford Commons** home will be no exception.
